Eligibility

To be eligible for the KMD Collaborative Specialization, you **must** be enrolled in one of the KMDI's **collaborating graduate units** at the University of Toronto or enrolled in a U of T Graduate Unit that will grant permission to participate.

Please consult the individual units for their application and admission procedures.

**Admission into a Graduate Program at U of T does not guarantee admittance into the KMD Collaborative Specialization (KMD CS). Admission into the KMD CS does not guarantee admittance into your home graduate program.*

Application Checklist

Use this checklist as a guide in preparing your application. Make sure that all these documents are included in your application package. Please submit the checklist with your material. Receipt of your application will be confirmed by e-mail.
